

EASY FLY DIGIT

BOOK ON DEMAND SINGLE KNIFE TRIMMER TO FACE TRIM PERFECT BOUND AND THREAD SEWN SOFT COVER BOOKS WITH FLAPS.

BOOK ON DEMAND

The machine is positioned either before or after the three knife trimmer of the line.

- **Easy and quick format change**

Only approximately four seconds are required for changing size automatically by simply keying in the book dimensions (length, width and thickness) via the touch screen.

Can store up to 100 programs that can be re-called on job requirements.

- **Tungsten Carbide knife cuts against plastic stick**

Perfect trim quality thanks to innovative technology used

- **No marking on the cover**

EasyFly DIGIT does not use vacuum or suckers, but accomplishes the opening by working in the trim away area of the book, thus avoiding any damage whatsoever on the cover

- **Long flaps? No problem**

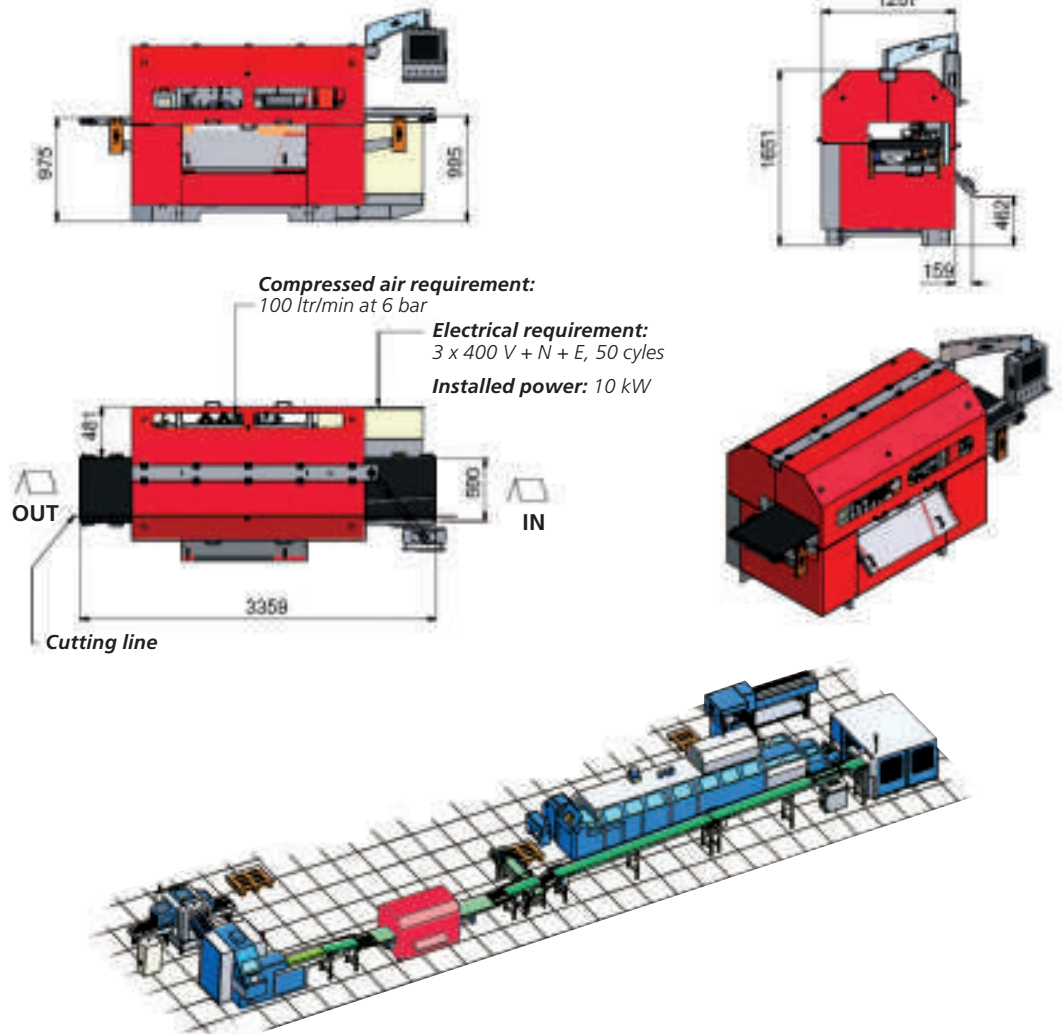

EasyFly DIGIT can handle long or multiple fold flaps without any problem

- **No change of traditional layouts**

EasyFly DIGIT can be positioned before or, if required, after the three knife trimmer by just replacing a piece of conveyor, without changing the layout of the existing line
